JOHN F. KENNEDY

Citizenship Status of AMELATTI-1

RECEIVED

1. Pursuant to the discussions held in the summer and fall of 1961 between Robert F. WICK and JOHN F. KENNEDY representatives, concerning the possible removal of action by which AMELATTI-1 might regain his citizenship, WICK has made inquiries to determine the feasibility of re-initiating a private bill in Congress, based on AMELATTI-1's past services to the U.S. Navy organizations.

2. WICK has advised that AMELATTI-1 furnished those information "of minor importance"; the Bureau of Customs and the Executive Bureau had no record of AMELATTI-1. WICK, after repeated inquiries, has informed us that they cannot locate AMELATTI-1's file.

3. It would seem that a new private bill would have as little hope of success as the two previously introduced, since a strong case cannot be made for 4-1's prior services, based on the weak or negative replies noted above, nor is it currently possible to request a legal re-examination of the basis for WICK's action to strip 4-1 of citizenship, since the file is missing.

4. It is recommended, therefore, that the best method whereby AMELATTI-1 can regain his citizenship is to apply at the nearest consulate overseas for an immigrant visa. Mexico City is the most likely place. If WICK and AMELATTI agree to do this, Headquarters will be glad to assist in expediting the visa issuance.

the possible progress of action by which citizenship, E-1 has made inquiries to determine the feasibility of re-initiating a private bill in Congress, based on AMELATTER-1's past services to anti-Comm organizations.

2. I-1 has advised that AMELATTER-1 furnished them information "of minor importance"; the Bureau of Customs and the Narcotics Bureau had no record of AMELATTER-1. I-1, after repeated inquiries, has informed us that they cannot locate AMELATTER-1's file.

3. It would seem that a new private bill would have to be introduced, since the two previously introduced, since a private bill cannot be made for I-1's prior services, based on the work of AMELATTER-1. However, it is currently possible to request a legal re-examination of the basis for I-1's action to strip I-1 of citizenship, since the file is missing.

4. It is recommended, therefore, that the best action for AMELATTER-1 to regain his citizenship is to apply at the Mexican Consulate overseas for an immigrant visa. Mexico City is the most likely place of entry, and I-1 agrees to do this. Headquarters will be glad to assist in expediting the visa issuance.
